

May 2024 Newsletter

Last month was a fun month !!! “The Week of the Young Child” was a huge success. We did something a little different this year and thank you all for your cooperation in making it a success. The children learned about helping others in need and the value of teamwork. Their favorite were the teamwork games that we played. Hopefully, the children went home and talked about it. The other thing we did was for earth day. We had our neighborhood clean up. We took a short walk down the street to pick up garbage and surprisingly, there wasn’t too much garbage. We did see that many (maybe one) pet owners are not responsible !!! Big improvement from our previous years !!! Thank you neighbors for being responsible people and throwing trash away in the trash cans or even recycling.

The beginning of this month will be a busy month. Here are some reminder of dates and events !!!

“Teacher Appreciation Week” is coming up from Monday, May 6 to Friday, May 10, 2024. Please join us by participating to show our appreciation to our teachers for their hard work and dedication. First of all, we would like to thank all of you for taking part in our Teacher Appreciation Week. We are super happy and appreciative that you all thought of us to organize a week of spoiling. Our teachers work hard to care for and teach your child(ren) please have your child make their teachers a beautiful thank you card. These cards have a very special meaning to the teachers.

We are having our Mother’s Day gathering on Friday, May 10th from 4:30-5:30pm. Please make arrangements for moms to pick up that day and spend some time with their littles =)
