

## **December 2018 Newsletter**

We thought October was a busy month... Boy was I wrong !!! We had so many activities in November... Thank you to all who participated and brought something in to share => Our fruit salad day and stone soup day was a success... The children really enjoy eating what they made !!! It was unfortunate that we had to cancel our Thanksgiving Potluck due to the air quality and rain but we were able to video the children's practice sessions !!! They were posted on our Facebook private group !!!

Can you believe this is the last month of 2018 !!! Another year gone !!! We would like to Wish everyone a Happy Holidays full of love and joy this Holiday Season !!! Cherish all the good memories... Do what you were't able to accomplish... Learn from all the mistakes... and make 2019 a much more fun and enjoyable one !!!

We will be working on many arts and craft projects this month to help decorate our tree at school... Please feel free to take your child's decorations home for your own tree when you leave for the Holidays... Although we will still be teaching our curriculum, it will be a fun month !!! We will also have some cooking project days as well. Please help us celebrate Hannukah, and Christmas by wearing those colors on the days listed below !!! We will also have another lazy day of pajama day with popcorn, hot chocolate and a movie !!!

## **Important Dates To Remember**
