

August 2024 Newsletter

July was definitely an exciting and busy month !!! We started out the month with a visit to Larkey Park. The children were so excited since we haven't been there in awhile. The children couldn't stop talking about it for days. =) The children enjoyed the walk to the library and the story time as well as activity time there. Luckily, our library is close by... We should do that more often. The children were so happy that we took them to the Larkey splash pad !!! It was a beautiful day for water play too. But to top off the month, we had an amazing time with our mini Olympics !!!

A reminder to all parents that, we are requesting parents to drop off their child no later than 9:00am. unless there's an appointment and prior notice was given... Our class time starts at 9:00am. and we would appreciate it if your child was on time to join the class without any interruptions and so your child doesn't miss out on their learning time. Also, snack time is at 9:00am. Along with the rest of our routine and we tend to get busy the rest of the day. Again, please arrive by 9am. Thanks in advance !!!

Just a few reminders that were already mentioned last month... that since the weather has been warm, please apply sunscreen on your child in the mornings and the teachers will reapply in the afternoons. Although the days get warm later in the day, it is still cold in the mornings. Please either come in a light jacket or keep one in your child's cubby as an extra. Finally, with warmer weather we prefer to wear sandals, etc... but please remember that the shoes/sandals has to be closed toe shoes.

This month our theme will be about the Five Senses so we are requesting for you to bring in something about the senses. Below are the dates...
